Dear Parents & Caregivers

CHAMPION SWIMMERS
Wow! Congratulations to our Small schools relay team who took out 1st place at the North Coast Regional Swimming carnival last week! Kaelin, Tabitha, Kaitlyn and Shiloh will head to Sydney just before Easter to compete in the State swimming championships for Primary school students. A massive effort. We are all so happy for you. Keep your eye out for the team’s photo in the Daily News on Wednesday and The Weekly on Thursday.

We will hold a mufti day in the coming weeks to help with funding your trip. Children will be asked to bring in a donation and the relay team will be deciding on the theme. Thank you to Bethell Flooring for your $500 contribution to the children’s trip.

YEAR 6 FUNDRAISING
To celebrate Harmony Day Year 6 students will be selling orange spiders on Thursday for $2. Your support of this fundraiser is much appreciated.

ANIMALS IN SCHOOLS
Due to a range of allergies in our school parents are reminded that no animals of any description are to be brought onto school grounds.

SOAP FOR CLASSROOMS
Each child is requested to bring in a soap bottle for their classroom. Preferably this should be soap on tap or similar dispenser. We are trying to encourage good hygiene at school, particularly with our cooking program, so request soap from each child. This should then last the year and we can top up with school supplies.

CROSS COUNTRY
The smalls schools cross country will take place at Stokers Siding on Friday 4 April. Cost for this event is $3.50 per student. Please ensure you return your note (attached) with payment by Wednesday 2 April.

INFECTIOUS DISEASES
A reminder that many very contagious illnesses require exclusion from school. Some examples of exclusions from school include:

School sores (impetigo)—Incubation is 1-3 days and people are infectious for as long as there is fluid weeping from the sores. Children should be excluded until appropriate antibiotic treatment has commenced. Exposed sores should be covered in watertight dressing.

**Whooping cough** (pertussis)—Incubation is generally 9-10 days. A person is infectious from the beginning of the cold-like symptoms. Children should be excluded for 21 days from the onset of symptoms, or until they have taken appropriate antibiotic for at least 5 days.

If you ever have any doubts about the exclusion period for a particular illness or infection please contact the office.

Calendar of Events – Dungay P & C 2014
Dungay P & C have a few traditional fundraising events throughout the year. We understand that you may not be able to attend all events but any help is greatly appreciated. For example, we have the Mothers’ Day Stall and Raffle, which the children just love. We ask for parents to come along and wrap the items that the kids purchase. Gifts range from $1 - $5. To see the excitement on their little faces is just priceless. With all the stalls/raffles we do ask for your kind donations.

Our traditional events are, Discos, Mothers Day stall/raffle, Fathers Day stall/raffle, Red Days, Outdoor Cinema Night, Murwillumbah Show-Canteen, Presentation Night Christmas Dinner, Movie Nights, Election Day BBQ/Cake Stall.

We are always looking for fresh ideas, so come along to our next meeting. If you are unable to attend a meeting you can always approach one of the committee members with your idea and they can raise it at the next meeting. Any idea is a good idea!!!

So check out the attached Calendar of Events and save the dates in your diary. We hope to see you at them.

CANTEEN NEWS

Healthier Options coming soon to the Canteen Menu—This is Exciting!!!
We have just received the new guidelines for the canteen, which are mandatory in NSW Primary School Canteens. These guidelines are all new and we only received this information booklet last week. ‘Healthy Kids, Members Magazine – The RED Issue Term 1 2014’. The Menu has been ok and up to standards but over the next few weeks we will be introducing a new healthier canteen menu. The Magazines in which I gather information on what is ‘OK’ for the menu are always in the canteen for you all to read at any time, so feel free to take a look. You may even grab a great recipe from one, I know I have.

I’m asking for any suggestions/ideas that you may have for healthier eating for the children. Something that they will enjoy and are willing to get excited over, and they will want to come up to the canteen window at lunch times and purchase. Any idea is a good idea.

Let me know your thoughts ASAP.
It is going to be sad to see a few items go, but we want our kids to be healthy. I’m sure if we work as a team we can create a fantastic menu. If you have any concerns please don’t hesitate to contact me.

Thanks

Sam Campbell
