Dear Parents and Caregivers

We have two busy weeks ahead of us to wrap up term two.

Our soccer team will being playing against Burringbar school tomorrow. We wish them all the best for the match.

Years 2-6 students will be off on their Local Services excursion on Wednesday. Since this mean the majority of the school won’t be on site, the canteen won’t be open and the K/1 students will enjoy a shared picnic lunch.

Parent/Teacher interviews will conclude the term throughout 25, 26 and 27 June.

ATHLETICS

What an awesome result! Congratulations to our 8 individual medal winners—Sam, Marley, Shiloh, Kaitlyn, Luke, Zac, Kaelin and Brody. We also were presented with highest point scores: Senior, Junior and Sub Junior. This would not have been possible without the wonderful participation of all students at Dungay. Well done everyone.

The proposed Primary Principal’s Association meeting for Wednesday has now been cancelled.

Have a great week.

Principal

FESTIVAL REHEARSAL

### Nutrition Snippet

*The simplest way...to use legumes*

Did you know that legumes are classified as a vegetable?

Legumes include: baked beans, kidney beans, lentils, chickpeas, cannellini beans and split peas.

They’re high in protein, fibre, B-group vitamins, calcium, iron, phosphorus, zinc, magnesium, folate and anti-oxidants.

*Basically, they are really good for you!*

Besides their nutritional value, the great thing about legumes is that they’re very cheap, readily available and easy to use.

Chickpeas make a great addition to casseroles, soups and pasta sauces. Add lentils or kidney beans to minced meat in bolognese, chilli con carne and nachos. Hummus (pureed chickpeas) makes a healthy snack in a lunch box. Or simply serve baked beans on toast that even the fussiest eater will love!
