Dear Parents and Caregivers

Welcome back for term three. I hope everyone had a lovely winter break and enjoyed the wonderful weather. I visited Sydney when I became a Great Aunt to beautiful Jerico Jennifer.

All staff were involved in anaphylaxis training during our development day yesterday, which went into the differences between allergies and anaphylaxis, the signs and symptoms and the use of Epi Pens (adrenalin autoinjectors). During the day we also spent time discussing and planning for the Nationally Consistent Collection of Data on School Students with Disability (NCCD). This collection of data informs the Department on what support schools require in terms of supporting students with disabilities. We also use this data on a school level to develop class programs catering for all levels of ability.

**NAIDOC ACTIVITIES**

We have an exciting day of activities planned for our NAIDOC Week celebrations this Thursday. Students from Tyalgum, Murwillumbah South, Condong and Carool schools will also be attending.

**DISTRICT ATHLETICS**

All children who are representing small schools will be going to Murwillumbah High next Thursday to compete in their specified events. Children involved received their note today. Please report to Mrs Kane to receive the small schools singlet and have your name marked off.

**STATE ATHLETES**

Good luck to Luke and Brody who are competing at State level of Cross Country in Sydney this Friday. We will be thinking of you and wishing you all the best!

**WELCOME**

We are happy to welcome the Hoelker family to Dungay school. We look forward to sharing with you an exciting and wonderful time for Julian in Kindergarten and Kian in Year 3. I trust you and your children find Dungay ‘a great place to be.’

**YOU CAN DO IT — MUFTI FUN DAY**

Next Wednesday, 23 July all classes will be involved in a range of activities to promote the habits of confidence, getting along, persistence, organisation and resilience. Activities will include sporting challenges, handprinting on our new success sign and art activities. Children have nominated a colour to wear so we have the 5 success colours represented on the day.

Have a great week.

Photos

Due to a minor machine fault at the photographers our school photos have been delayed but they should be delivered this week to school.
Dungay P & C would just like to thank everyone who has helped out with any events, canteen, donating gifts for raffles and stalls etc. so far this year. We do understand that sometimes it is hard to help out or the P & C have a new event on and asking for donations. We really appreciate the help. So a really big THANKYOU

MAJOR FUNDRAISING EVENT # 1

**Bunnings BBQ**

One of our major fundraising events will be held on **Sunday 27 July**. The P & C will be selling raffle tickets at this event...And we really need your help! We have a wheelbarrow that we will raffle full of goodies!

We are asking for your kind donations of any kind (non-perishable) to fill our wheelbarrow with;

- Gardening equipment, Food, Kids toys, Vouchers, Anything at all, large or small

_Bunnings Volunteers – Please note that roster times have changed slightly. The day will begin at 7.45am not 7am. A new roster is attached to this newsletter_

MAJOR FUNDRAISING EVENT #2 – upcoming event

Once gain we have been offered the Canteen at the Murwillumbah Show. This is a fantastic opportunity for the P & C and we ask if everyone could volunteer over the 2 days. Volunteer note will go out first week back Term 4; we just ask if you could please ‘save the dates’ 31 October & 1 November 2014.

**LAMINGTON DRIVE**

Keep selling those lamingtons; please have your orders in by Thursday 17 July for delivery on Friday 25 July – Thanks

**FATHERS DAY RAFFLE & STALL – upcoming event**

We will be having our annual Father’s Day Stall and Raffle on Friday 5 September. We are asking for your kind donations of eg Fishing Tackle, Stubby Holders, Tools, Key rings, Mugs etc for the Stall. We will be asking the kids to sell raffle tickets once again for some awesome prizes.

**Naidoc Week**

This Thursday 17 July. If anyone is interested in coming down and lending a hand in the canteen for this event it would be greatly appreciated. Just give me a call or text if you haven’t already, thanks Sam Campbell  0429 324 977.

Flu season is here!

Influenza is spread from person-to-person through the coughing or sneezing of infected people. Remind your child about these good hygiene practices to minimise the spread of infection:

- Anyone who is sick with influenza symptoms should stay home until their symptoms are gone.
- Cover the nose and mouth with a tissue when coughing or sneezing. Throw the tissue in the garbage bin after use.
- Wash hands often with soap and water, especially after coughing or sneezing. Alcohol-based hands cleaners are also effective.
- Avoid touching eyes, nose or mouth. Germs spread that way.

If you or your child develops influenza-like illness, seek the advice of your family doctor as you would with any other illness.

The seasonal influenza vaccine, which protects against the pandemic influenza strain as well as two other influenza strains, is now available free to eligible people. More information about the vaccine is available from the NSW Health Immunisation Unit’s vaccination page.

Previous vaccination with the pandemic influenza vaccine, Panvax® is not a barrier to also receiving the seasonal influenza vaccine.

Fishcare Program

NSW Fisheries have two educational fishing workshops coming up which will be held at Ballina and Kingscliff on 10 and 17 August. This is an educational fishing workshops in which children (8-14 yrs) learn how to fish safely and sustainably. The workshop consists of some theory in which the children learn how to tie knots and rigs, handle and identify fishing and learn how to cast. This is followed by lunch, then fishing. The cost is $40 and in return the child receives a good quality rod and reel, tackle box, shirt, wide brimmed hat and info showbag.

If you’re interested in your child attending this workshop please register before 15 August. Forms are available from the school office or contact Milan Duwenhogger-Lange, Education Officer (North) Recreational Fisheries Program on 02 6626 1381.
