Dear Parents,

LIFE EDUCATION
The Life Education Van will be at our school tomorrow. If any parents are interested in looking through the van and finding out what the program involves you are most welcome to come along at 9.15am.

P&C MEETING
I look forward to seeing you all at the next P&C meeting this Wednesday 9 March at 5.45 for a 6pm start.

DEBATING
Students from Crystal Creek, Tyalgum and Chillingham will be coming to Dungay on Tuesday 15 March to try out for the Mount Warning Warriors debating team. The four schools will have a workshop and participate in a mini competition to select the members of the team. The team will then compete in the Premiers Debating Challenge in term 2.

LOCAL HISTORY EXCURSION
We are in the process of organising a local excursion for 2/3S and 4/5/6B to the Tweed Regional Museum. This will likely be in the last week of this term and will finalise our unit of work on Australiana.

MUSIC
Mr Simpson is in the process of getting the guitars engraved and cases purchased so that students can take guitars home within the next couple of weeks. Students have been incredibly enthusiastic about their lessons every Wednesday.

Have a great week.

Easter hat parade
Dungay’s annual hat parade will be held on Thursday 24 March at 10.15am.
Greenhills Nursing Home will be joining us for a beautiful parade of creative colourful hats.
The P&C Easter raffle will be drawn, class colouring competitions judged and students will parade their hat creations.
Please come along and join in the fun and stay for morning tea.

Get some inspiration from last year’s creations! Hats are made at home and brought in on the day.

DAMPER DAY

Students in 2/3S and 4/5/6B have been learning about Australiana. The culmination of this unit of work will be a damper day on Thursday 17 March. Students will be ‘throwing the billy on’ while they sample the damper they will make themselves.
**Bee Alive update**

We received great news last week that our first payment for our environmental grant has been processed and deposited.

Late last year we were successful in gaining an environmental grant for $3500. This means we can now order our native bee hive containing the native bees.

When our bees and hive arrive all of our students will be invited to learn more about native bees and their requirements.

I would like to extend an invitation to any parents or community members who would also like to join us for the bee arrival/info session.

As soon as we have a date and time I will pass on the information.
